DOC-013 | Horizon Default Notice

Date: February 21, 2026

Method: Email and certified-mail copy (mail receipt not included)

From: Maya Chen for Horizon Manufacturing

To: Daniel Ortiz for Summit Components

Subject: Formal Notice of Failure to Deliver - Agreement dated Jan 8

Horizon regards the failure to deliver 2,000 SC-40 modules by February 15 as a material breach. We are seeking replacement components and reserve our rights to pursue direct damages permitted by the Agreement and Colorado law.

Our records show that only 600 units have been received as of this notice. Please confirm by February 24 your plan for delivering the remaining units and proposed treatment of losses arising from delay.

Maya Chen
Director of Procurement

The statement that 600 units have been received is an assertion in a party notice. Compare it against the receiving log.
