# DOC-015 | March Delivery and AP Extract

Generated: March 6, 2026, 09:15 MST

Source: Horizon Accounts Payable transaction extract

Reference: HM-1048 / Summit invoices

| Transaction | Date | Amount / status |
|---|---|---|
| Summit invoice SUM-812 | Mar 3, 2026 | $84,000 billed for all 2,000 modules |
| Receiving match | Mar 4, 2026 | 1,400 units received Mar 3, plus prior 600 |
| AP exception | Mar 5, 2026 | Invoice on hold: quantity and 40-unit QA review |
| Cash disbursement | Through Mar 6, 2026 | No payment recorded to Summit |

Operations note: the late batch of 1,400 arrived in a truck at 10:36 MST March 3; receiving system posted acceptance at 11:05. QA placed 40 units on inspection hold. There is no disposition report in this extract.

System scope: this report covers accounts payable to Summit only, not any invoice or payment to Front Range Controls.

This source combines an AP extract with a short operations annotation; consult the underlying records before treating the annotation as independently verified.
